President
Milind Shikshan Sanstha
Bramhapuri, Dist. Chandrapur

1) Sensitization of school/college student for old age person

In our society the next generation want to progress as fast as and our culture is combine family but now a days they to live separate from family they want to live couple and their family.

So our society took the programme to sanitation of school/college student for old age person programme at Chandrapur our aim that, how took the time our older person i.e. Mother, Father etc. and now to take enjoy your life.

Our societies member and staff guidance to the students of school/college and this programme many student presents.

2) De-Addiction Treatment and Guidance Camp At. Chandrapur

Our country's future depends our young generation so we said proudly that our country is great. But in our country there is big problem of addiction this is big disease that our generation faced. The future of our country is totally depend on young generation. But our young generation caught big habits such as alcohol, chewing tobacco, Guthkha & smoking etc.

So our society started De-addiction treatment and Guidance camp. In this camp we treated addicts patient free of cost and gave them all facilities to those patient who are addicted. So our society doing great job towards addicted patients. These all facilities given by our society free of cost. In this camp our counselor gave him counseling to patients.

3) Ayurved Guidance Camp

In our holly books the importance of Ayurveda to human is very useful. With ayurvedic treatment. Now days the ayurvedic system is neglected by the people because they want quick relief. In the past period India knows the importance of the ayurvedic medicine. Ayurvedic have been on of most important source for the medicine. Ayurvedic medicine is also useful for perfumery, favorites soap and cosmetics, ingredients. Most of them farmer citizens and villagers knows the importance of ayurvedic medicine that is why our society has taken guidance camp Dist. Chandrapur.

4) Homeopathic Guidance Camp

The number of people comes to know the side effect of allopathic. They know that all path gives fast relief. But there are always side effects of it. Homeopathic treatment is very easily treated. So our institution took the camp At. Chandrapur Dist. Chandrapur.

In this camp Mr. M. M. Dongare & Ku. Vaishali Meshram guided to people about the homeopathic treatment. There are 63 patient treated by Doctors and near about 75-79 people are participated in this camp and our doctors said that some people are attracted towards the homeopathic treatment.

5) Day Care center for Old Person with Dementia

In our society there are many old age person wandering due to no place for leaving and eating. So our society start old age home at. Chandrapur, Dist. Chandrapur. In this center our society giving all faculty to old age person like as food, cloths, and shelter arrangement & medical facility free of cost.

6) Ten Bedded Hospital At. Alibag Dist. Raigad

To serve those people who are not able to come private hospital because they are very costly. So our society started hospital. In this hospital our doctor treated freely those patients needy. Our staff member is very careful about their services. Our society newly started Ten Bedded hospital at Alibag Dist. Raigad in this hospital our medical officer and staff members giving services to SC & other people free of cost.

All members of our organization, all members of managing committee of our organization, players, children's farmers, students, and civilians giving valuable co operation to us run our organization smoothly. So we would like to give thanks to such co-operations.

All the officers of the center & state government also giving us valuable guidance & kind co-operation. So we would like to give thanks to all these officers.
